

Robert Bouffard, DDS

A graduate of the University Of Maryland Baltimore County and the University Of Maryland Dental School, where he was awarded the Doctor of Dental Surgery degree. While a dental student, he was commissioned as an officer in the United States Navy, and served for over twenty years. While on active duty, Dr. Bouffard completed a hospital based general practice residency and a specialty residency in Periodontics. He successfully attained board certification and is a Diplomat of the American Board of Periodontology.

Dr. Bouffard brings a unique approach to surgical dentistry to the thriving practice at **Maple Avenue Family Dentistry**. He is trained in the latest techniques including computer aided design and guided tissue regeneration and dental implant placement. With over 20 years of general practice and specialty training and experience, Dr. Bouffard's presence affords Maple Avenue patients dental treatment at a level few practices can offer.

Dr. Bouffard's practice is concentrated in the areas of Periodontics, Dental Implantology and Oral Surgery procedures. According to Dr. Andrea Barone the owner of the practice "there is a real obvious chemistry, and the result has been many restored beautiful smiles and happy patients".
